## DJ / Artist

[About](#)[Mixes](#)[Dates](#)[Contact](#)

Raised in deepest Croydon, DRKS was hooked by the South London club scene in the 90s.

Inspired by his favourite producers, DRKS started spinning tunes. Since these early days he has delighted clubbers, house party goers and home listeners alike with his well-constructed climatic sets.

DRKS' passion for drum 'n' bass and deep house will inspire and entertain you wherever you are.
